Explanation

The referendum election ballot will ask District electors to vote "yes" or "no" on the referendum election question as set forth above.

A "yes" vote on the question is a vote to authorize the School District of Monticello budget to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, by \$820,000 beginning with the 2022-2023 school year for recurring purposes and by an

additional \$280,000 per year (for a total of \$1,100,000) for the 2022-2023 school year through the 2025-2026 school year for non-recurring purposes, consisting of operational expenses, including Science, Technology, Engineering and Math (STEM) and other educational programming, bus garage upgrades, acquiring vehicles, classroom equipment, maintenance and repair projects and remodeling classrooms.

A "no" vote on the question is a vote to deny the School District of Monticello the authority to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, by \$820,000 beginning with the 2022-2023 school year for recurring purposes and by an additional \$280,000 per year (for a total of \$1,100,000) for the 2022-2023 school year through the 2025-2026 school year for non-recurring purposes, consisting of operational expenses, including Science, Technology, Engineering and Math (STEM) and other educational programming, bus garage upgrades, acquiring vehicles, classroom equipment, maintenance and repair projects and remodeling classrooms.

In the event a majority of the electors voting on the question vote "yes", the District will be authorized to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, by \$820,000 beginning with the 2022-2023 school year for recurring purposes and by an additional \$280,000 per year (for a total of \$1,100,000) for the 2022-2023 school year through the 2025-2026 school year for non-recurring purposes, consisting of operational expenses, including Science, Technology, Engineering and Math (STEM) and other educational programming, bus garage upgrades, acquiring vehicles, classroom equipment, maintenance and repair projects and remodeling classrooms; if a majority vote "no" on the question set forth above, the District will not be so authorized.
