If an elector is not registered to vote, they may register to vote at the polling place serving their residence if the elector provides proof of residence.

Upon being permitted to vote, the elector shall enter a voting booth or go to a machine and cast their ballot. The vote should not be cast in any manner other than specified here. Sample ballots or other materials to assist the elector in marking their ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

An elector who is a parent or guardian may be accompanied by the elector's minor child or minor ward.

An election official may inform the elector of the proper manner for casting a vote but the official may not advise or indicate a particular voting choice.

Assistance for Voting

An elector may select an individual to assist in casting their vote if the elector declares to the presiding official that they are unable to read, have difficulty reading, writing, or understanding English, or that due to disability are unable to cast their ballot. The selected individual rendering assistance may not be the elector's employer or an agent of that employer or an officer or agent of a labor organization which represents the elector.

Where Paper Ballots are Used
