Hello Harry,

Nice to hear from you. Yes, I haven't removed my stands yet, waiting to see how quickly the park transition proceeds. To my knowledge, Eliot Buol (farmer) and myself are the only two people that have been on the property this summer. I have continued to clean up and mow the trails, and am hopeful to bowhunt a final season. Obviously, as soon as the property is opened to the public, I realize my time there will be over.

Let me know if you'd like to discuss further. I'm happy to attend a Parks meeting if you wish.

Hi, Matt,

While walking the Town park on the old Hayes farm yesterday, one of my colleagues noticed a tree stand in one of the trees near the Legler School Branch. Is it yours?

The Parks Commission hasn't yet decided how we're going to manage hunting on the property, but we will be discussing that soon. It would therefore be helpful to know who is already planning to hunt there this fall.

Thanks and best regards,

Harry Pulliam

Good morning, Heidi,

The Town of New Glarus Parks Commission is putting together another newspaper insert to promote our fall workshop series. As in the past, we'd like you to print 2000 of those for us. We haven't yet decided if we need B&W or color and if we'll need to go two-sided or not. Please quote your current price on those four options.

Oh, and if we go with B&W, we'd like you to print it on one of your garishly colored papers!

Thanks and best regards,

Harry

Good Afternoon - Thank you for contacting me. We are getting into busier times here at the AV Center with end-of-school year projects, etc., so the 1-day turn-around may not be able to happen (for either order now), but it is something I can help you out with. As long as your request of 2000 - 1-sided, 8.5 x 11 in black and white is exactly the same (color of paper could be different) as the previously quoted project, then yes, I would give you the same price of \$75.25. I do have enough 60# Terra Green in stock for one of your orders but not both, so I would need some heads-up so I have enough paper. Let me know how you would like to proceed.

Good afternoon, Ms. Witt,

My name is Harry Pulliam. I'm with the Community Kitchen Co-op, the organization for which you provided to Mr. Cassidy the quote below.

While CKC is not quite ready to place an order, I have another need for your print shop services. You see, I am on the Parks Commission in the Town of New Glarus. Later this month or in early May we also plan to advertise with a newspaper insert. Will your quote of \$75.25 to Mr. Cassidy for 2000 - 1-sided, 8.5 x 11 inserts on 60# Terra Green with black ink be good for that purchase as well and will the 1-business day turnaround still apply? Like CKC, the Parks Commission can send you a PDF file ready for printing.

The total cost to print 2000 - 1-sided, 8.5 x 11 inserts on 60# Terra Green with black ink is \$75.25. If I could have one full business day to complete this, that would be great.

They are looking to have 2,000 pages printed (layout and design will be provided). Can you reply with an estimate of what a print order of that size would cost per sheet and total and turn around time once an order is placed?

Thank you!
