

TOWN OF NEW GLARUS
REGULAR TOWN BOARD MEETING
FEBRUARY 14, 2024, FOLLOWING THE ADJOURNMENT OF THE SECOND PUBLIC HEARING
AGENDA

NOTICE IS HEREBY GIVEN that Town of New Glarus Board, County of Green, will conduct a meeting for the transaction of business as is by law required permitted at such meeting as follows:

LOCATION: 26 5th Avenue, Town Hall Community Room or virtually

VIRTUALLY: <https://us06web.zoom.us/j/87860792292?pwd=fRKc7Uu7ageDhbMYUTtJogbjBt3Gex.1>

Meeting ID: 878 6079 2292

Passcode: 854693

Phone: 1 312 626 6799

Any specific subject on the agenda for consideration by the Board may be acted upon by the Board.

1. Call to Order and Confirm Proof of Posting
2. Approve Minutes
 - a) Regular Town Board meeting on January 10, 2024
 - b) Ad Hoc Subcommittee meeting on January 18, 2024
 - c) Ad Hoc Subcommittee meeting on January 19, 2024
 - d) Special Town Board meeting on January 24, 2024
3. Public Comments
4. Review and Consider Approval, Conditional Approval, or Denial of Preliminary Plat to Record Land Division Proposed by Robert Talarczyk for Property along Elmer Road and Airport Road
5. Review and Approve Resolutions to Transfer Newly Collected Impact Fees to General Fund
 - a) Resolution 240214-01 for Public Library
 - b) Resolution 240214-02 for Community Park Improvements
 - c) Resolution 240214-03 for Trails (Option #2)
 - d) Resolution 240214-04 for Community Park Land Acquisition
 - e) Resolution 240214-05 for Highways/Transportation Facility
6. Consider and Possibly Approve the Amendment to Chapter 80 Impact Fees by Ordinance 2024-01
7. Review and Consider Approval of Resolution 240214-06 to Amend Resolution 231213 to Appoint Election Workers
8. Report from Ad Hoc Restoration Subcommittee with Possible Action to Consider a Restoration Approach for Town Park Land Near STH 39
9. Consider and Possibly Approve the Amendment to Addendum A of Chapter 55 Fees by Ordinance 2024-02
10. Discuss and Schedule Annual Town Meeting of the Electorate (normally on the third Tuesday of April)
11. Patrolperson Report
12. Clerk-Treasurer Report
 - a) Update on Spring Primary and annual audit preparations
 - b) Update on Green County Landfill Amended Agreement
 - c) Approval and payment of bills
13. Chair Report – Introduce Deputy Clerk-Treasurer
14. Park Commission – January 17, 2023 regular minutes
15. Plan Commission – January 18, 2024 meeting was cancelled
16. Adjourn

Posted 2.05.2024

Revised and Reposted 2.07.2024

New Glarus Town Hall

Chris Narveson, Chair

John Wright, Clerk-Treasurer

**REGULAR TOWN BOARD MEETING
WEDNESDAY, JANUARY 10, 2024
MINUTES**

Town Board Attending: Chris Narveson (Chair), Matt Streiff, Robert Elkins, and Troy Pauli

Board Members Absent: Jim Hoesly

Also Attending: Amy Trumble (arrived at 6:04 PM and departed at 7:27 PM): New Glarus Public Library Director; Scott Jelle (departed at 6:49 PM): contract building inspector for Town of New Glarus; Mark Pernitz: Town Park Commissioner (departed at 7:39 PM); Tim Schleeper (departed at 6:49 PM): contract Planner with Vierbicher; and John Wright: Town of New Glarus Clerk-Treasurer

1. **Call to Order and Announcement of Intention to Convene into Closed Session per §19.85(1)(c)** – Chair Narveson called the meeting to order at 6:00 PM and announced that the Board will convene into closed session prior to adjournment.
2. **Confirm Proof of Posting** -- Clerk-Treasurer Wright attested to the proper proof of posting.
3. **Approve Minutes from Special Town Meeting on December 28, 2023** – Supervisor Streiff noted that the library director's last name is misspelled in two locations and should be corrected. A motion to approve the December 28, 2023 special meeting minutes, as corrected, was made by Supervisor Streiff; seconded by Supervisor Pauli. Motion carried 4-0.
4. **Public Comments** – None.
5. **Review Proposed Changes to Addendum A of Chapter 55 Fees to be Presented at February 14, 2024 Public Hearing**
 - a) Impact fees – Clerk-Treasurer Wright stated that the proposed changes to the amount and categories of impact fees had previously been presented. Those proposed changes are included in the packet materials.
 - b) Land development fees – Contract planner for the Town, Tim Schleeper, noted that the number of lots constituting a major and minor subdivision need to be updated to reflect past amendments to Chapter 110 [note: this change was submitted to General Code on March 8, 2023, but was not incorporated]. Schleeper recommended striking an escrow fee for Certified Survey Map (CSM) reviews entirely. He noted that the amount escrowed is determined by the number of lots that are proposed, making the recording mechanism (plat or CSM) irrelevant. There followed a brief discussion as to whether 1 or 2 lot CSMs should require a base fee.
A motion to accept the proposed changes to Addendum A of Chapter 55 for presentation during the impact fee public hearing and regular Town Board meeting to follow on February 14, 2024, was made by Supervisor Streiff; seconded by Supervisor Elkins. Motion carried 4-0.
 - c) Building permit fees – Scott Jelle introduced the fee schedule that he employs for other municipalities. Not all rates would increase, if approved: e.g., remodeling costs would decrease. Jelle noted that his other clients opt for a 90/10 split of fee collection. If the Town prefers, however, he can continue to bill for his hourly rate to inspect, for mileage, and for an hourly rate to review plans. There followed a brief discussion about permitting swimming pools (inground, versus above ground). Jelle responded that the State is interested in issuing permits for pools that require grounding and bonding. If the Town has Total Inspections bill for hours and mileage, then the rate will increase from \$65 per hour to \$75 per hour and mileage would increase from \$0.625 per mile to \$0.670 per mile.
A motion to approve the proposed changes for building inspection costs within Addendum A of Chapter 55 was made by Supervisor Pauli with permission for Jelle and Wright to coordinate how best to incorporate those changes; seconded by Supervisor Elkins. Motion carried 4-0.
There followed a brief discussion about changes to Chapter 36 Driveways, particularly permitting agricultural access. Jelle noted that the State considers farm buildings to be commercial, but only requires that electrical be inspected. Clerk-Treasurer Wright reported that he spoke with Etta Strey at the Wisconsin Department of Safety and Professional Services about agricultural structures. She noted that municipalities may choose to inspect construction, plumbing, etc. even if the State does not require that. Wright read aloud from SPS §361.02(3)(e) which excepts the inspection of buildings used exclusively for farming purposes under a narrow set of circumstances. Jelle noted that many applicants state a detached pole building will be used for agricultural purposes, but many are not used for this purpose, once

constructed. In some cases, this may violate the restriction of residential accessory buildings in deed-restricted open space. Without objection, the Board will review this further at their regular March meeting.

6. **Review Proposal from Green County Landfill and Solid Waste Management Board Regarding Increases with Possible Action** – Clerk-Treasurer Wright introduced the multiple documents he received from the Green County Solid Waste Management Board. The materials include a proposal for member municipalities to pay a proportionate share of 15% of operating costs on a monthly basis. Data from 2022 and 2023 was reviewed by the Board. Wright reported that he received a verbal response from Todd Bollenbach, Municipal Accounting Executive with Pellitteri Waste Systems, that the proposal from Green County would not affect the current contract rate between the Town of New Glarus and Pellitteri.

A motion to authorize the Town Chair to sign the Agreement for Utilization of the Green County Solid Waste Transfer Station was made by Supervisor Pauli; seconded by Supervisor Elkins. Motion carried 4-0.

7. **Review and Possibly Approve Proposal from Johnson Block for the 2023 Financial Audit in 2024** – Wright stated that the contract rate is a \$900 increase over the amount approved for the prior year contract. Chair Narveson felt that the services provided are a great value. Supervisor Streiff encouraged the solicitation of bids for this service in the future as an act of due diligence.

A motion to approve the 2023 financial audit proposal from Johnson Block, not to exceed \$12,000, as well as completion of Form CT with the Wisconsin Department of Revenue, for \$1,000, was made by Supervisor Pauli; seconded by Supervisor Streiff. Motion carried 4-0.

8. **Review 2024 Meeting Calendar and Offer Corrections, if Any Required** – Wright stated that he posted the calendar in the packet to the Town website, as instructed by the Board at the December 28, 2023 special meeting. Wright noted that the February and August Plan Commission meeting dates on the posted calendar is on the fourth Thursday rather than the third Thursday. There will not be a Spring Primary on February 20, 2024. Wright recommends for the Board to authorize for him to make these changes and post the updated calendar to the Town website.

A motion to approve the 2024 meeting calendar, as corrected, was made by Supervisor Elkins; seconded by Supervisor Pauli. Motion carried 4-0.

9. **Patrolman Report** – Chair Narveson proposed a newsletter to residents and asked the supervisors whether it was sufficient notification for planned tree trimming and brush removal along Farmers Grove Road, Olstad Lane, Disch Road, Marty Road, Zentner Road, and Marty Lane. Narveson stated that Green County Highway is willing to do two weeks' worth of work for the single week rate of \$10,000. Narveson noted that \$10,000 was included in the 2023 budget for this purpose, but was not used. There followed a brief discussion regarding what would be trimmed and what would be removed.

A motion to approve \$10,000 for brushing and tree removal within Town road rights-of-way to be performed by Green County Highway Department was made by Supervisor Elkins; seconded by Supervisor Streiff. Motion carried 4-0.

10. **Clerk-Treasurer Report**

- a) Approval and payment of bills – Clerk-Treasurer Wright noted that checks 500 to 514 were approved at the December 28, 2023 special Town meeting. There were no questions about the proposed payments by check, ACH, or transfers. Motion to approve 2023 checks 21412 through 21418, and checks 21419 through 21444 for 2024, deposits, and ACH transactions was made by Supervisor Streiff; seconded by Supervisor Elkins. Motion carried 4-0.
- b) Property tax collection by Green County Treasurer – Clerk-Treasurer Wright that a total of \$2,036,508.68 has been collected to date. Checks to the two school districts, two technical colleges, and Green County for the January Settlement were approved in the prior agenda item.
- c) Presentation of 14 remaining impact fee refunds for the Joint Pool House Project – as required by Statute, the principal amount, plus interest, was calculated for the fourteen reimbursements. Without objection, the Clerk-Treasurer will transfer \$4,208.52 to the general fund to cover these refunds by check. This will leave a small account balance in the Impact Fee bank account so that new collected fees can be deposited without fear of comingling funds if and when the ordinance amendment and updated fee is approved, following a duly posted and published public hearing.

11. **Chairperson Report**

- a) Update about letter to property owners paying one fee for multiple homes on the same parcel for trash/recycling collection – The Town Chair and Clerk-Treasurer have yet to coordinate on this topic. Without objection, it will be added to a future agenda when completed.
- b) Continued discussion about mailed newsletters – Without objection, the draft newsletter, as prepared by the Town Chair, was approved for mailing.

12. Park Commission

- a) October 18, 2023 minutes – The approved minutes were included in the packet.
- b) December 20, 2023 minutes – The draft minutes were included in the packet.
- c) January 4, 2024 special meeting minutes – a draft was included in the packet. A brief update was provided about a proposed, phased plan to convert land currently farmed into a restored prairie. Near to the Legler School Branch, native switchgrass will be planted this year in coordination with Elliot Buol who is planting and harvesting the arable portions of the land. Approximately 10 acres will be converted each year to native prairie. The ad-hoc Restoration Committee will propose a more detailed plan to the Board at the February meeting. There followed a brief discussion about non-native trees within ravines.

13. Plan Commission

- a) December 21, 2023 minutes – The draft minutes were available for Board review.
- b) Public Hearing for Talarczyk land division by large lot, February 14, 2024 – Deputy Clerk-Treasurer Wright is working on the notice to be posted, published, and mailed to adjacent landowners. The property is within the Village of New Glarus extraterritorial plat review authority.

14. Motion by Roll Call Vote to Convene in Closed Session per §19.85(1)(c) to Consider Employment, Promotion, Compensation or Performance Evaluation Data of any Public Employee over Which the Governmental Body has Jurisdiction or Exercises Responsibility

Motion to convene into closed session was made by Supervisor Elkins; seconded by Supervisor Pauli. Roll call: Elkins: aye; Streiff: aye; Pauli: aye; and Narveson: aye. Motion carried at 7:39 PM.

15. Return to Open Session – Motion to return to open session was made by Supervisor Streiff; seconded by Supervisor Elkins. Motion carried 4-0 at 8:00 PM.

16. Action in Closed Session – Applications for the Deputy Clerk-Treasurer position were reviewed and those chosen for interviews will be scheduled and contacted by Town Chair Narveson.

17. Adjourn – Motion to adjourn made by Supervisor Streiff; second by Supervisor Pauli. Meeting adjourned at 8:02 PM.

Approved:

Prepared by John Wright, Clerk-Treasurer

**AD-HOC SUBCOMMITTEE OF THE TOWN BOARD MEETING
TO INTERVIEW DEPUTY CLERK-TREASURER CANDIDATES
THURSDAY, JANUARY 18, 2024
MINUTES**

Subcommittee Members of Town Board Attending: Chris Narveson (Chair), Robert Elkins, and Troy Pauli (arrived at 10:48 AM)

Also Attending: John Wright (departed at 2:40 PM): Clerk-Treasurer

1. **Call to Order and Announcement of Intention to Convene into Closed Session per §19.85(1)(c)** – Chair Narveson called the meeting to order at 6:00 PM and announced that the Board will convene into closed session prior to adjournment.
2. **Confirm Proof of Posting** -- Clerk-Treasurer Wright attested to the proper proof of posting.
3. **Motion by Roll Call Vote to Convene in Closed Session per §19.85(1)(c) to Consider Employment, Promotion, Compensation or Performance Evaluation Data of any Public Employee over Which the Governmental Body has Jurisdiction or Exercises Responsibility**
Motion to convene into closed session was made by Supervisor Elkins; seconded by Supervisor Pauli. Roll call: Elkins: aye; Pauli:aye; and Narveson: aye. Motion carried at 10:15 AM.
4. **Return to Open Session** – Motion to return to open session was made by Supervisor Pauli; seconded by Supervisor Elkins. Motion carried 3-0 at 4:00 PM.
5. **Action in Closed Session** – The subcommittee interviewed four candidates for the Deputy Clerk-Treasurer position, but did not take any action. Another interview is scheduled for January 19, 2024 at 3:30 PM.
6. **Adjourn** – Motion to adjourn made by Supervisor Elkins; second by Supervisor Pauli. Meeting adjourned at 4:02 PM.

Approved:

Prepared by John Wright, Clerk-Treasurer

**AD-HOC SUBCOMMITTEE OF THE TOWN BOARD MEETING
TO INTERVIEW DEPUTY CLERK-TREASURER CANDIDATES
FRIDAY, JANUARY 19, 2024
MINUTES**

Subcommittee Members of Town Board Attending: Chris Narveson (Chair), Robert Elkins, and Troy Pauli

Also Attending: John Wright: Clerk Treasurer

1. **Call to Order and Announcement of Intention to Convene into Closed Session per §19.85(1)(c)** – Chair Narveson called the meeting to order at 3:30 PM and announced that the Board will convene into closed session prior to adjournment.
2. **Confirm Proof of Posting** -- Clerk-Treasurer Wright attested to the proper proof of posting.
3. **Motion by Roll Call Vote to Convene in Closed Session per §19.85(1)(c) to Consider Employment, Promotion, Compensation or Performance Evaluation Data of any Public Employee over Which the Governmental Body has Jurisdiction or Exercises Responsibility**
Motion to convene into closed session was made by Supervisor Pauli; seconded by Supervisor Elkins. Roll call: Elkins: aye; Pauli: aye; and Narveson: aye. Motion carried at 3:30 PM.
4. **Return to Open Session** – Motion to return to open session was made by Supervisor Pauli; seconded by Supervisor Elkins. Motion carried 3-0 at 4:05 PM.
5. **Action in Closed Session** – The subcommittee interviewed one candidate for the Deputy Clerk-Treasurer position, but did not take any action. Follow-up interviews may be scheduled the following week for the top two or three applicants.
6. **Adjourn** – Motion to adjourn made by Supervisor Pauli; second by Supervisor Elkins. Meeting adjourned at 4:20 PM.

Approved:

Prepared by John Wright, Clerk-Treasurer

Town of New Glarus
SPECIAL TOWN BOARD MEETING
WEDNESDAY, JANUARY 24, 2024
MINUTES

Town Board Attending: Chris Narveson (Chair), Robert Elkins, Jim Hoesly, Troy Pauli, and Matt Streiff (joined virtually by phone at 4:15 PM and departed at 4:49 PM)

Board Members Absent: None

Also Attending: Ronald Roesslein (departed at 4:27 PM): Road Patrolperson and John Wright: Clerk Treasurer

1. **Call to Order and Announcement of Intention to Convene into Closed Session per §19.85(1)(e) and per §19.85(1)(c)** – Chair Narveson called the meeting to order at 3:49 PM and announced that the Board will convene into closed session, twice, prior to adjournment.
2. **Confirm Proof of Posting** – Clerk-Treasurer Wright attested to the proper proof of posting.
3. **Review Draft Annual Newsletter with Possible Action** – The original, unformatted draft was presented at the regular Town Board meeting held on January 10, 2024. The revised draft is an illustrated, two-sided, two page newsletter, in four colors. There was brief review of a short list of recommended revisions that will be incorporated. Clerk-Treasurer Wright supplied Park Commissioner Jason Neton with an updated mailing list last year. Wright supplied Neton with the current occupants for letters returned after a fall 2023 mailing from the Town Park Commission. If those changes were incorporated, then the Town could use this spreadsheet to address the newsletter from the Town Chair. The approximate cost to mail to all homes on the list is approximately \$600 for a 2-sided, full color, tabbed, tri-fold mailer. The cost of a 2-page, full color mailing in an envelope is not known at this time.
4. **Motion by Roll Call Vote to Convene in Closed Session per §19.85(1)(e) to Deliberating or Negotiating the Purchasing of Public Properties, the Investing of Public Funds, or Conducting other Specified Public Business, Whenever Competitive or Bargaining Reasons Require a Closed Session**
Motion to convene into closed session was made by Supervisor Hoesly; seconded by Supervisor Elkins. Roll call: Hoesly: aye; Elkins: aye; Pauli: aye; and Narveson: aye. Motion carried at 4:00 PM.
5. **Return to Open Session** – Motion to return to open session was made by Supervisor Pauli; seconded by Supervisor Hoesly. Motion carried 4-0 at 4:09 PM.
6. **Action in Closed Session** – There was no action taken during closed session.
7. **Motion by Roll Call Vote to Convene in Closed Session per §19.85(1)(c) to Consider Employment, Promotion, Compensation or Performance Evaluation Data of any Public Employee over Which the Governmental Body has Jurisdiction or Exercises Responsibility**
Motion to convene into closed session was made by Supervisor Elkins; seconded by Supervisor Pauli. Roll call: Hoesly: aye; Elkins: aye; Pauli: aye; and Narveson: aye. Motion carried at 4:10 PM.
8. **Return to Open Session** – Motion to return to open session was made by Supervisor Elkins; seconded by Supervisor Hoesly. Motion carried 5-0 at 4:49 PM.
9. **Action in Closed Session** – Without objection, Chair Narveson will contact the top two candidates for the Deputy Clerk-Treasurer position and extend an offer to each, with some ability to negotiate the terms, within reason.
10. **Adjourn** – Motion to adjourn made by Supervisor Hoesly; second by Supervisor Pauli. Meeting adjourned at 4:50 PM.

Approved:

Prepared by John Wright, Clerk-Treasurer

TALARCZYKS' PRELIMINARY PLAT

Part of the Northeast, Northwest, Southwest and Southeast 1/4s of the Northeast 1/4, and the Northeast and Southeast 1/4s of the Northwest 1/4 of Section 24, Town 4 North, Range 7 East, Town of New Glarus, and the Southwest 1/4 of the Northwest 1/4, and the Northwest 1/4 of the Southwest 1/4 of Section 19, Town 4 North, Range 8 East, Town of Exeter, Green County, Wisconsin.

DESCRIPTION
 Part of the Northeast, Northwest, Southwest and Southeast 1/4s of the Northeast 1/4, and the Northeast and Southeast 1/4s of the Northwest 1/4 of Section 24, Town 4 North, Range 7 East, Town of New Glarus, and the Southwest 1/4 of the Northwest 1/4, and the Northwest 1/4 of the Southwest 1/4 of Section 19, Town 4 North, Range 8 East, Town of Exeter, Green County, Wisconsin, bounded and described as follows:

Beginning at the North 1/4 corner of said Section 24; thence S86°34'54"E along the North line of Section 24, 1515.00' to a meander corner located 21' from the right bank of Ward Creek; thence S05°26'17"E along a meander line, 453.60' to a meander corner located 21' from the right bank of Ward Creek; thence S43°09'53"E along said meander line, 194.05' to a meander corner located 21' from said bank; thence S18°53'26"W along said meander line, 216.12' to a meander corner located 21' from said bank; thence S18°33'17"E along said meander line, 596.74' to a meander corner located 21' from said bank; thence S33°09'54"E along said meander line, 605.63' to a meander corner located 21' from said bank; thence S12°52'43"W along said meander line, 210.08' to a meander corner located 21' from said bank; thence S19°02'14"E along said meander line, 248.09' to a meander corner located 21' from said bank; thence S41°38'18"E along said meander line, 252.39' to a meander corner located 21' from said bank; thence S73°23'04"E along said meander line, 347.56' to a meander corner located 21' from said bank; thence N40°03'07"E along said meander line, 66.28' to a meander corner on the East line of Section 24 located 21' from said bank; thence S00°15'44"W along the East line of Section 24, 55.54'; thence S89°44'16"E, 20.00'; thence S00°15'44"W, 627.32'; thence N89°44'16"W, 20.00' to the East line of Section 24; thence N07°15'44"E, 581.23' to the East 1/4 corner of Section 24; thence N88°11'59"W, 2705.32' to the center of Section 24; thence N87°09'10"W, 1352.56' to the Southwest corner of the East 1/2 of the Northwest 1/4 of Section 24; thence N00°07'43"W, 2667.07' to the Northwest corner of the East 1/2 of the Northwest 1/4 of Section 24; thence S86°35'11"E, 1347.60' to the point of beginning; plus all lands lying between the meander line herein described and the center of Ward Creek; subject to public road rights of way for Kubly Road and Airport Road and to any and all easements of record.

Parcel contains 199.58 acres (3,693,616 sq. ft.), more or less, including land between the meander line and the center of Ward Creek.

RESOLUTION 240214-01
RESOLUTION REGARDING IMPACT FEES USE

The Town Board of the Town of New Glarus, Green County, Wisconsin do resolve as follows:

WHEREAS the Town of New Glarus Board do have the authority as granted under Wis. Stats. §66.0617 to establish and maintain an Impact Fee account; and

WHEREAS the Town of New Glarus reserved a portion of the Impact Fees for a public library within the Town of New Glarus; and

WHEREAS the Town of New Glarus approved by a Memorandum of Understanding between the Town of New Glarus and the New Glarus Public Library on September 18, 2018 that the Town shall donate \$100,000 towards a new library building and operational expenses from the impact fees collected for that purpose;

NOW, THEREFORE, BE IT RESOLVED that the New Glarus Town Board, in legal session assembled, that \$1,181.00 of the current balance from the Impact Fees account earmarked for a public library be transferred to the general fund so that the money can be disbursed to the New Glarus Library Board.

Approved and signed by the New Glarus Town Board on the 14th day of February, 2024.

**ORDINANCE NO. 2024-01, TOWN OF NEW GLARUS, GREEN COUNTY
AN ORDINANCE TO AMEND CHAPTER 80 IMPACT FEES
TO REFLECT UPDATES TO 2024 NEEDS STUDY**

WHEREAS, the Town Board of the Town of New Glarus, Green County, Wisconsin (hereafter referred to as the Board) contracted with Vierbicher and Associates (hereafter referred to as Vierbicher) at a regular Board meeting held on September 8, 2021, to review existing deficiencies and future needs for a growing Town population as a basis for a future amendment to Chapter 80 Impact Fees; and

WHEREAS the Board contracted with Barrientos Design & Consulting at a regular meeting held on April 13, 2022 to conduct a Needs Assessment Study to review existing deficiencies and future needs for the existing Town Hall and Town Garage to supplement the review performed by Vierbicher of existing deficiencies and future needs based upon future population growth for trails, parks, library expansion, etc.; and

WHEREAS the Town agreed to an amendment to the scope of the original contract with Barrientos Design and Consulting at the regular meeting held on September 14, 2022 so that the study could reflect the input of the Town Patrolperson and Town Chair on the future needs for a public works facility; and

WHEREAS the Town approved an Amendment to the original scope of the 2021 contract with Vierbicher at a special meeting held on October 30, 2023 to combine the results of both aforementioned studies and to reflect the purchase of 97+ acres by the Town in December of 2022; and

WHEREAS the Town Park Commission of the Town of New Glarus, Green County, Wisconsin, at a regular Commission meeting held on November 15, 2023 did review a draft of the Public Facilities Needs Assessment and Impact Fee Study, as prepared on November 7, 2023 and made a recommendation to the Town Board to adopt the proposed increases for parks and highway/transportation facilities impact fees; and

WHEREAS the Town Plan Commission of the Town of New Glarus, Green County, Wisconsin, at a regular Commission meeting held on November 16, 2023 did review a draft of the Public Facilities Needs Assessment and Impact Fee Study, as prepared on November 7, 2023 with a recommendation to the Town Board to adopt, following a public hearing; and

WHEREAS the Town at a regular meeting held on December 13, 2023 reviewed the final draft of the Public Facilities Needs Assessment and Impact Fee Study, as prepared on November 7, 2023; and

WHEREAS the Town, at a regular meeting held on January 10, 2024, scheduled a public hearing on February 14, 2024 for consideration of an updated Public Facilities Needs Assessment and Impact Fee Study and amendments to Chapter 80 Impact Fees with associated changes to Addendum A of Chapter 55 Fees,

NOW, THEREFORE, the Town Board of the Town of New Glarus, do hereby ordain the following fee schedule be approved as defined in the attached document and be effective immediately upon passage and posting or publication, by summary, as provided by law.

Adopted by the Town Board of the Town of New Glarus, Green County, Wisconsin, this 14th day of February, 2024.

TOWN OF NEW GLARUS

RESOLUTION 240214-06

TO AMEND RESOLUTION 231213 REGARDING APPOINTMENT OF ELECTION OFFICIALS
FOR 2024-2025 ELECTION CYCLE

WHEREAS the Town of New Glarus election worker terms expire 12/31/23 and the Town has received four (3) nominations for election workers from the Republican party and six (6) nominations from the Democratic party.

NOW, THEREFORE, the Town Board of the Town of New Glarus, Green County, Wisconsin does hereby resolve to appoint the following to a two-year term beginning 1/1/2024 and ending 12/31/2025, as election workers:

Republican Nominees

Brenda Johnson
Richard Johnson
Lisa Bowers
Dave Staats

Democratic Nominees

Howard Cosgrove
Susan Cosgrove
Danford Bubolz
Anthony Kesich
Vicki Sasso
Tracey Schwalbe

Non-Partisan

Ruth Elmer
Jan Hoesly
Deb Schilt
Sue Bubolz
Mary Anne Oemichen
Jamie Zaffino
Judy Gielissen

It is further resolved that said appointments shall include serving in the capacity of Election Inspector, Greeter and/or Tabulator, and Municipal Board of Canvassers as needed and shall be paid at the rate of \$10.00 per hour while serving in those capacities.

It is further resolved that at the time of appointment, Ruth Elmer, Judy Gielissen, Danford Bubolz, Sue Bubolz, Mary Anne Oemichen, Jamie Zaffino, Brenda Johnson, Richard Johnson, and Tracey Schwalbe have received the necessary training and may also serve as Chief Election Inspector and shall be paid at the rate of \$10.00 per hour while serving in that capacity. Any of the above-named appointees may serve as Chief Election Inspector upon receiving the baseline training certification as prescribed by the State Elections Board. A wage of \$10.00 per hour will be paid when serving as Chief Election Inspector.

Approved and signed on February 14, 2024.

Chris Narveson, Town Chair

Attest: John Wright, Clerk-Treasurer

To: Town of New Glarus Board
From: Town of New Glarus Parks Commission
Subject: Seeding Approach for New Town Park

The following is the recommendation for the seeding approach as developed by the park's restoration committee consisting of K. Ruschman, J. Neton, R. Pertzborn and M.S. French in collaboration with E. Buol and J. Wyatt. The objective was to determine the best approach to taking the existing farmland and converting to prairie. This has been shared with Vierbicher and Associates who are in the initial stages of developing the master park plan.

For 2024 we are recommending the 5 acres of bottom land bordering Legler Creek be mowed, sprayed, and seeded with prairie seed (forb) mix. Invasives will also be removed and mitigated.

In 2025 and beyond we will reclaim the remaining cropped land by planting 60-foot-wide contoured prairie strips until the land is completely converted at the rate of 5-10 acres per year. Initially, the unseeded areas would continue to be planted by E. Buol with a rotation of crops to ensure soil health conducive to subsequent planting of prairie grasses/wildflowers. Prairie plantings would be maintained by volunteers/friends' group with mowing of the prairie strips budgeted in initial years until seedings have been established.

Reasons for recommendation:

1. The approach of contour strips would slow water runoff and erosion. Due to the significant slope of the property, erosion of top soil has been an issue in the past. Following each growing season, prairie plants and roots begin to break down into rich organic matter. The water holding capacity of these rich soils is very high.
2. It is important to plant prairie grasses/flowers while soil is bare. New prairie seedlings are not able to establish if they are competing with existing vegetation and need to have good contact with the soil and adequate moisture for germination.
3. Planting in prairie grasses/wildflowers will reflect the vegetation dominant in this region when the first Swiss settlers arrived. Furthermore, it is a low maintenance landscape that encourages a diversity of plant and animal species. Without suitable prairie habitat, many birds, bees, and butterflies are reduced in number.
4. Prairie strips will ensure sufficient pollinators are present. With the proposed orchard, it will be essential to have a supporting cast of honey bees, wild bees, and butterflies. Flowers will provide nectar for adult bees/butterflies and pollen for the young bees. In addition, a growing body of scientific literature indicates that bee health is improved when they are provided a diverse diet of plants. Corn and soybean crop fields also provide pollen and nectar but none in late Summer/Fall when it is crucial for pollinators. This is especially true for honey bees to store up resources for the Winter. The recommended economy mix would have 22 species in the mix and heavy on flowering forbs that provide pollinating arthropod and bird habitat.

Next Steps

1. Obtain approval from Town Board on the recommended approach to ensure Mr. Buol is retained to farm the land in 2024 and a new cover crop will be planted once the Winter wheat is taken off in July. Mr. Narveson to negotiate and confirm lease agreement.
2. Prepare soil and drilling of seed within the 5-acre bottomland parcel bordering Legler Creek (Spring/Fall 2024)

Anticipated outlays – **5-acre increments** – funded from Parks sinking fund

2024 \$4,365 -- \$2750 seed, \$1000 to drill, \$1100 initial mowing/box elder, buckthorn etc. removal, \$365 spraying

2025 \$3,937 – \$3870 for seed and to drill (assumes 3.5% inflation) \$250 mowing

2026 \$4,255 -- \$4005 for seed and to drill (assumes 3.5% inflation) \$250 mowing

2027 \$4,896 -- \$4397 for seed and to drill (assumes 3.5% inflation) burning \$500

Attachment - contour approach schematic

Mission and Vision:

Town of New Glarus - Community Park and Orchard

to reclaim and restore, to connect and enrich, to nourish and celebrate

To honor the farming heritage of the land, while taking restorative measures to improve the soil, and multiply wildlife and pollinator populations

To create a park where the New Glarus community can connect in a variety of ways from assisting in prairie restoration to the nurturing of fruit trees in the orchard, while enriching lives through exchange of ideas and the formation of new friendships

To provide a dynamic gathering space for residents to play together, to recreate together and to enjoy life together whether it be walking along paths to embrace the beauty of the land, celebrating graduations and family re-unions or workshops in the multipurpose room of the new Town Hall

Brodhead, WI 53520

Mariah Nimitz
Office Manager

Rich Vogel
Chairman

RECEIVED FEB 09 REC'D

Dear Members,

We are writing this letter to inform you that the Solid Waste Management Board has voted to approve the enclosed contract. The approved contract includes changes to verbiage in respect to account purposes, calendar year versus fiscal year, maximum limits on outlined accounts, and collection of proportionate share rates beginning January 1, 2024.

The decision includes that each member municipality shall be billed (15%) fifteen percent of its total proportion share of current operating costs of the transfer station on a monthly basis beginning January 1, 2024 - December 31, 2024. The total proportionate share of current operating costs of the transfer station collection will be (50%) fifty percent on January 1, 2025 and then (100%) one hundred percent starting January 1, 2026.

The Solid Waste Management Board previously voted to approve that beginning January 1, 2024, each member municipality shall be billed an additional assessment of five percent (5%) of its total proportionate share of operating costs, which shall be applied to a contingency fund for ultimate closure of the Transfer Station. All amounts received will be used for the exclusive purpose of maintaining and improving the services provided and each member municipality retains their proportionate interest in all funds, buildings, vehicles and other machinery owned by the Green County Landfill.

This new contract will supersede the existing contract. Please sign and return the new contract as soon as possible. We greatly appreciate your continued support of the Green County Landfill. If you have any further questions, please feel free to contact us.

Sincerely,

GREEN COUNTY SOLID WASTE MANAGEMENT BOARD

Matthew Kauffman
Solid Waste Manager

**AGREEMENT FOR UTILIZATION OF THE
GREEN COUNTY SOLID WASTE TRANSFER STATION**

THIS AGREEMENT made this _____ day of _____, 2024, by and between the County of Green, a Wisconsin Municipal Corporation (hereinafter the “County”) by the Solid Waste Management Board of the County (hereinafter the “Board”) and the **Town of New Glarus**, a municipality located within Green County (hereinafter the “Municipality”).

WHEREAS, the Green County Solid Waste Management System was created to serve as a publicly owned cooperative association of municipalities to assist in the processing and removal of waste for local municipalities; and

WHEREAS, the Municipality wishes to become a member of the cooperative association and make use of the Green County Solid Waste Transfer Station (“Transfer Station”) and to share in the benefits and responsibilities that go along with membership; and

WHEREAS, the Municipality and the Board believe it is in the best interests of the parties to enter into an agreement for utilization of the Transfer Station; and

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth herein, the County and the Municipality hereby agree as follows:

I. MAINTENANCE OF THE COUNTY SANITARY LANDFILL SITE. The Board shall maintain the current Landfill site for use as a transfer station by the Municipality in conjunction with other participating municipalities or entities and shall monitor the day-to-day operation of the Transfer Station, and continue to establish policy and develop plans for solid waste management within Green County to ensure that an effective, efficient, and environmentally acceptable solid waste disposal site is available for use by municipalities within Green County.

II. UTILIZATION OF THE TRANSFER STATION. The Municipality shall utilize the Transfer Station as its exclusive means for disposal of solid waste and pay its proportionate share of the fixed, operating and surcharge costs associated with the Transfer Station as follows:

A. FIXED COSTS.

1. The Board shall charge, and the Municipality shall pay, the Municipality’s proportionate share of all fixed costs of the Transfer Station. Fixed Costs shall include, but shall not be limited to
 - a. Costs of land acquisition,
 - b. Building expansion,
 - c. Engineering and or fees,
 - d. Costs incurred in expanding the Transfer Station,
 - e. Licensing the Transfer Station for additional terms and other costs related to maintaining a solid waste management system for Green County,
 - f. Machinery and Equipment Purchases.
2. Debt service costs for financing of construction and land acquisition associated with the Transfer Station, whether such debt service costs are paid to the County, a lender or a participating municipality.

**AGREEMENT FOR UTILIZATION OF GREEN COUNTY
SOLID WASTE TRANSFER STATION
County of Green; Town of New Glarus
Page 2**

3. The Fixed Costs shall be amortized over the useful life of the Transfer Station and shall be billed to the Municipality on a monthly basis. The Municipality's proportionate share of the Fixed Costs shall be determined by establishing the percentage of use of the Transfer Station by the Municipality over the prior twelve-month period as compared to the other participating municipalities based upon the Municipality's tonnage as a proportion of total tonnage.

B. OPERATING COSTS.

1. Operating Costs are defined as all costs, maintenance, and expenses incurred by the Transfer Station, as determined under generally accepted accounting principles.

2. Beginning on January 1, 2024 the Municipality shall be billed fifteen percent (15%) of its total proportionate share of current operating costs of the Transfer Station on a monthly basis.

3. Beginning on January 1, 2025 the Municipality shall be billed fifty percent (50%) of its total proportionate share of current operating costs of the Transfer Station on a monthly basis.

4. Beginning on January 1, 2026 the Municipality shall be billed one hundred percent (100%) of its total proportionate share of current operating costs of the Transfer Station on a monthly basis.

5. The Municipality's proportionate share of the operating costs shall be determined monthly by establishing the percentage of use of the Transfer Station by the Municipality and Municipality's residents as compared to the other participating municipalities based on the Municipality's tonnage as a proportion of total tonnage.

6. If the annual operating costs of the Transfer Station as calculated each December 31st amounts to a shortfall, the Board shall have the following options:

a) Charge the Municipality an amount calculated by dividing the total shortfall by the Municipality's proportionate share of the operating costs. Payment of the Municipality's proportionate share of the shortfall is due by January 31st of the following year.

b) Pay the shortfall from funds available to the Municipality in the surplus fund described in Section III.B.

C. CONTRIBUTION TO CONTINGENCY FUND.

In addition to providing adequate financing to cover current operating costs, beginning on January 1, 2024 the Municipality shall pay an additional assessment of five percent (5%) of its proportionate share of operating costs, which assessment shall be applied to a contingency fund which shall be used for the ultimate closing out of the Transfer Station. Any amounts over \$1,000,000 will be allocated to the surplus fund described in Section III.B.

**AGREEMENT FOR UTILIZATION OF GREEN COUNTY
SOLID WASTE TRANSFER STATION
County of Green; Town of New Glarus
Page 3**

III. TIPPING FEES AND SURPLUS FUND.

A. TIPPING FEES

1. A tipping fee will be paid by the Municipality, private waste haulers or any persons delivering solid waste to the Transfer Station.
2. Said fee shall be charged on a per ton or portion thereof basis and shall be paid by the person delivering said solid waste to the Transfer Station at the time of delivery.
3. The Board shall periodically review the tipping fee and may adjust the tipping fee accordingly.

B. SURPLUS. If the revenue generated by the Transfer Station exceeds the operational cost as calculated on a monthly basis, this amount will be deposited into an account not to exceed \$750,000. Any amounts over \$750,000 will be paid back to the Municipality on a proportionate basis. This surplus must be used by the Board and the Transfer Station employees for the sole benefit of the Transfer Station.

IV. OWNERSHIP AND LIQUIDATION. The County shall remain the record title holder of the Transfer Station. However, the Municipality shall own an equity interest in the Transfer Station. The Municipality's equity ownership shall be determined by multiplying the value of the Transfer Station by a fraction whose numerator shall be the cumulative contributions of the Municipality to the Fixed Costs associated with the Transfer Station and whose denominator shall be the total cumulative contributions of all Municipalities to Fixed Costs associated with the Transfer Station. If the Transfer Station is sold by the County, then the Municipality shall be paid its equity in the Transfer Station.

V. TERM. The parties agree that this Agreement shall begin the day after ratification by both parties and shall terminate on January 1, 2025. However, it is the intent of both parties that this Agreement be extended in one-year intervals on the same terms and conditions as contained herein. The parties agree that this Agreement shall automatically renew and be extended in one-year intervals unless either party gives at least 60 days written notice of its intention to terminate and not renew this Agreement.

VI. BINDING EFFECT. This Agreement shall bind and inure to the benefit of the successors and assigns of the parties hereto.

IN WITNESS WHEREOF, the parties hereto have authorized the undersigned officials to execute this Agreement as of the date first above written.

PARK COMMISSION MEETING

January 17, 2024

Minutes

Attending: Harry Pulliam, Chris Narveson, Mark Pernitz, Jason Neton, Kelly Ruschman, Dana Emmerton (remotely)

Excused: Mona Sue French

Absent: Rose Pertzborn

Also attending: Tim Schleeper, Town engineer/planner; Frank Grenzow

1. Call to Order. Meeting was called to order by Chair Pulliam at 6:04 pm.

2. Proof of Posting. Narveson provided proof of posting.

3. Approve Minutes from November 15, 2023 and January 4, 2024. One correction for the Jan.4, 2024 minutes: French should be listed as "Excused" not "Absent." Motion to approve the minutes of both meetings as amended by Ruschman, second by Neton, motion approved.

4. Public Comments. None.

5. Update from Vierbicher Staff on Master Park Plan. Schleeper provided a proposed schedule and timeline for community input, focus group meetings and town meetings. A planner with Vierbicher, Olivia, will be preparing a community wide survey. Pernitz, Neton and Emmerton will assist her. Survey will include 18-25 questions. It will be used at the community input night on February 13 and also sent to Town residents.

A community input night will be held at the Town Hall on February 13 at 6 pm. This will be announced in the Town newsletter. Pulliam will do a press release for the newspaper. Neton will send an email announcement to the Friends email list.

Four focus groups have been identified: prairie restoration; community orchard; trails and accessibility; and community recreation. Vierbicher will facilitate 60-90 minute meetings with the individual focus groups tentatively scheduled for February 22. The intent would be to begin the meetings in the afternoon and proceed sequentially into the evening until completed. If participants aren't available during the workday, a second evening will be scheduled.

Pulliam will contact representatives of the community orchard and trails and accessibility groups to determine their availability. Jason will contact the community recreation folks. Ruschman will contact the prairie restoration folks.

A summary of community feedback will be provided at the March Park Commission meeting.

It is anticipated that a draft park master plan will be available for the April Park Commission meeting. After feedback, a final park master plan will be available for the June Park Commission meeting. A public hearing and Town Board approval is anticipated for July 10, 2024.

Schleeper recommended that the Town prepare a mission statement for the Town park to help identify the purpose of the park. Ruschman and Neton will work on this. Any mission statement would be subject to Board approval.

A discussion took place about creating a 501(c)(3) organization, likely a Friends group, to receive donations for the park.

6. Update on the STH 39 Multi-Use Trail. Schleeper provided a series of drawings showing the preliminary concept layout and discussed the main features. A 15' easement with a 10' wide trail is anticipated. Narveson wants to asphalt the trail to reduce future maintenance by protecting it from washout and erosion as water crosses the trail. The length of the trail is approximately

3,100 ft. Narveson will talk to the landowners about the necessary easements. Construction is anticipated to start this spring.

7. Update on Proposed Park Entrance (Hayes Lane). Schleeper presented a series of drawings showing different layouts for the new Town road (Hayes Road) which will serve as the entrance to the park property, town garage, farmette, etc. Narveson mentioned that he would like to use the NW corner of the property for public works supplies such as stone, sand, brush collection, etc. and limit the public visibility of the “ugly” part of public works.

8. Review Restoration Committee Report. A discussion took place regarding the Restoration Committee’s work. Ruschman will prepare a seeding plan for the February park commission meeting that we could send to the Town Board for approval.

9. Update on Fall Tree Sale Customer Orders. Ruschman reported that the trees have been ordered. In some cases where there was a significant per tree price savings by ordering a larger quantity, he rounded our order up to take advantage of those savings.

10. Continue Discussion of Signage for New Town Park. No discussion. Deferred to the next meeting.

11. Discuss and Possibly Approve Proposed 2024 Park Commission Budget. No discussion. Deferred to the next meeting.

12. Schedule Next Meeting, February 21, 2024, at 6:00 PM

13. Adjourn. Motion to adjourn by Pernitz, second by Ruschman. Motion approved. Meeting adjourned at 8:10 pm.

Approved:

Minutes prepared by Pernitz.

DATE: 01/12/2024
 DRAFTER: JHAN
 CHECKED: TSCH
 PROJECT NO.: 230366
 SHEET: 02 OF X

THE DESIGN PROCESS

Site Inventory and Analysis:

Documentation of the project lands natural and built features through a combination of on-site and online research. Discoveries are used to create base maps which are presented to community members at Stage 2. Data gathered is used to assess and evaluate design choices in Stage 3.

Meeting Org and Prep:

Preparation of community and focus group meetings and establishment of fundamental project information. Deciding the deadlines and timelines produces a cadence of deliverables to move the project forward to Stage 4.

Data and Map Collection:

Maps and databases created through online research, onsite inventory and conversations with stakeholders and community members. Maps will provide framework for Community Input Night at Stage 2 and conceptual designs at Stage 3.

THE DESIGN PROCESS

Town of New Glarus Community Input Night:

An in person event held to engage community members in the design process and solicit their opinions, desires, and concerns for the Community Park.

Focus Groups:

A group of people assembled to participate in a guided discussion to gather insights, feelings and expertise about specific topics; 5-10 people per group.

1. Orchard
2. Community Recreation
3. Prairie Restoration
4. Trails & Accessibility

Community Survey:

An online and paper survey published to solicit opinions, feedback, interests, concerns and desires of community members regarding the Community Park.

THE DESIGN PROCESS

Design:

A plan which considers all inventory and data gathered in Stage 1 and 2. The design delineates buildings, parking locations and other facilities and incorporates research data regarding topography, land cover, watershed and roadway connectivity with community needs and desires.

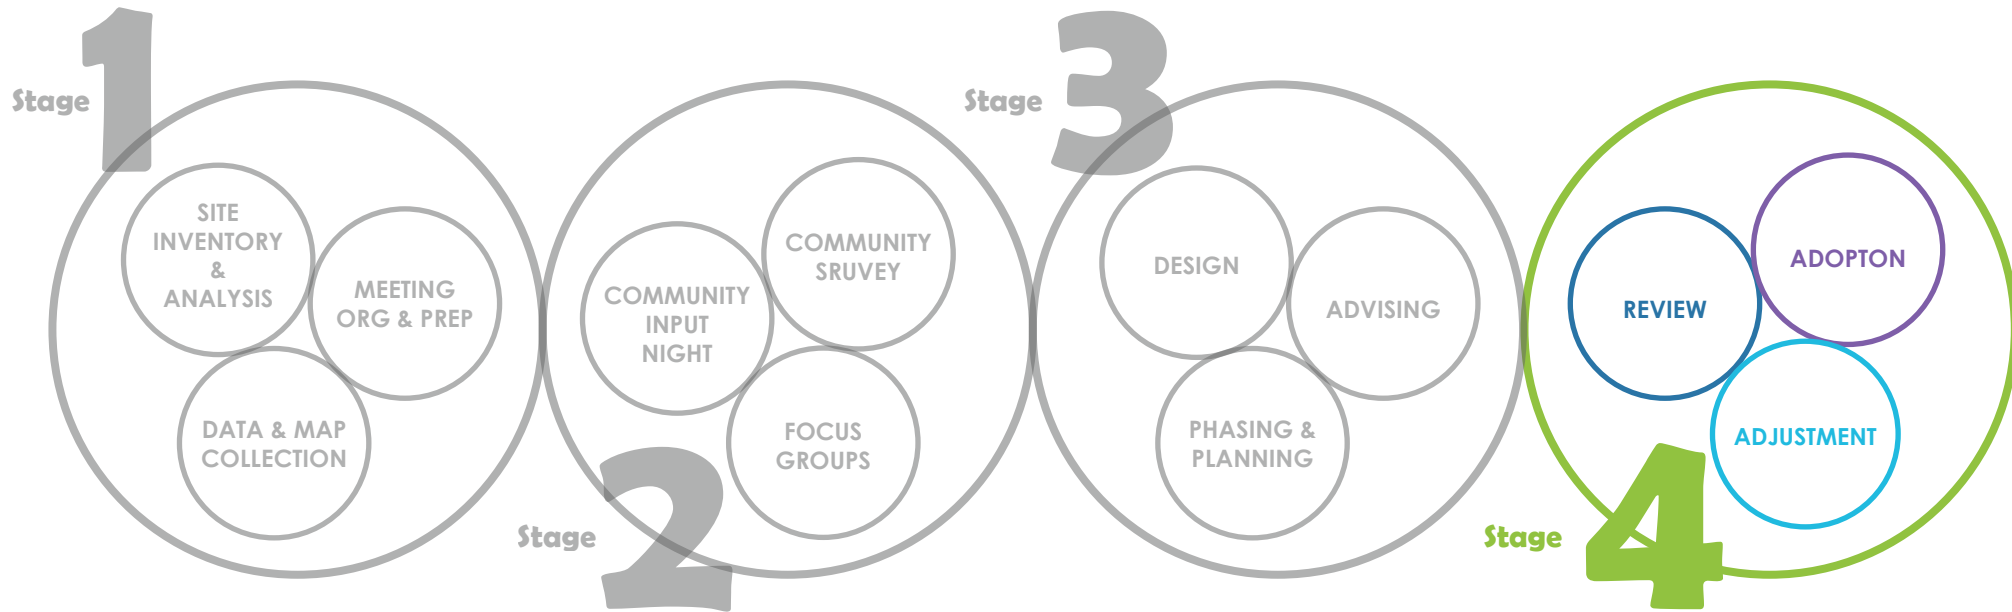

Advising:

Guidance on the logistics, feasibility and capital improvement costs of implementing the design from professional landscape architects, planners and engineers who consider all information gathered in Stage 1 and 2.

Phasing and Planning:

The strategic implementation of the design for the purpose of managing costs, processes, risk and time to ensure the projects success.

THE DESIGN PROCESS

Review:

Review of the Master Plan by the Parks Commision and Town Board allows for critique and feedback on the design. It also provides an opportunity to discuss the design, phasing and planning prepared for the development before the project moves to being adopted for approval.

Adjustment:

After review, adjustments will be made for the purpose of correcting errors, changing design decisions and/or editing phasing, cost improvements and planning projections.

Adoption:

Approval of the project design, phasing and implementation plan by the Parks Commission and Town Board.

TOWN OF NEW GLARUS
PLAN COMMISSION MEETING
THURSDAY, DECEMBER 21, 2023
MINUTES

Members Attending: John Freitag: Chair Pro Tem; John Ott, Craig Galhouse, Mark Pernitz, Robert Elkins, and Chris Narveson (joined virtually at 6:03 PM)

Absent: Reg Reis

Also Attending: John Wright: Clerk-Treasurer; Bob Talarczyk (departed at 6:28 PM): surveyor and applicant; Mike and Dan Talarczyk (departed at 6:28 PM): co-applicants; Robert Duxstad (departed at 6:28 PM): legal counsel for Talarczyk family; and Tim Schleeper: contract planner from Vierbicher

1. **Call to Order and Proof of Posting:** Chair Pro Tem Freitag called the meeting to order at 6:00 PM. Clerk-Treasurer Wright attested to proper proof of posting.
2. **Approve Minutes from November 16, 2023:** Motion to approve the meeting minutes from November 16, 2023, as presented, was made by Commissioner Pernitz; seconded by Commissioner Ott. Motion carried 5-0.
3. **Review Preliminary Plat for Talarczyk Subdivision of Property by Large Lot** – Surveyor Bob Talarczyk introduced the proposed division of the family property bounded by Kubly and Airport Roads in the Town. There is one pre-Ordinance Certified Survey (#1253) with a house and one post-Ordinance Certified Survey (#2745) with outbuildings. The family has no interest in cluster subdivision of the property and are proposing the large lot division as part of estate planning. It was noted that there is an access available from Airport Road to the southeast portion of the property as well as from Kubly Road from the north. The family has a driveway permit from the Town of Exeter for the Airport Road access point. Surveyor Talarczyk reported that Richard Alme has constructed an access and added a culvert. The wetland boundary line west of Ward Creek is shown on the draft Preliminary Plat in addition to 6 large lots (the adjusted existing pre-ordinance Lot 1, CSM 1253, and five potential large lots that include a reconfiguration of post-ordinance Lot 1, CSM 2745). Planner Tim Schleeper did not realize the access available to the southeast when composing his review dated December 14, 2023.

There followed a brief discussion regarding the proposed lots larger than 40 acres in size (Lot 2 of 47.130 acres and Lot 3 of 47.83 acres) since they would retain cluster potential unless restricted. It was noted that not all defined lots are required to include residential development potential. Attorney Duxstad asked whether the location of deed-restricted open space needs to be defined at the outset or can be determined once building sites are chosen at a future date. Large lot divisions require a minimum of 91% of the total parcel size to be restricted as open space free of residential and commercial buildings. There followed a brief discussion of what access to Ward Creek, a navigable waterway, may be required by the State of Wisconsin. With two points of access from Kubly and Airport, the State may waive further access requirements. It was noted that this property is within the Village plat review authority, but outside of the extraterritorial zoning authority.

A motion to recommend the to the Town Board the Preliminary Plat, as presented, for approval, by Commissioner Galhouse; seconded by Commissioner Elkins. Motion carried 6-0. Without objection, a public hearing will be scheduled for Wednesday, February 14, 2024. The notice will be published twice, the notice will be mailed to property owners within 600' of the entire property bounds, and will include the Town of Exeter Clerk.

4. **Review Master Park Plan with Possible Action to Recommend that the Town Board Proceed** – It was noted that the Park Commission moved to recommend approval of the expense to the Town Board at their meeting held yesterday evening. The master plan will need to be based upon where the public facilities and possible residential lots are sited. Planner Schleeper stated that the master plan will be developed in conjunction with residents, members of The Prairie Enthusiasts, Friends of the Town Park, Green County Leaders, the Town Park and Plan Commissions, and the Town Board. A community-wide survey will be conducted, much as was done in preparation for the update to the Town Comprehensive Outdoor Recreation Plan (CORP).

TOWN OF NEW GLARUS

The many projects and amenities that have been discussed to date (e.g., a community garden, a community orchard, trails, etc.) will need to be prioritized. The emphasis will be upon passive recreation. Commissioner Pernitz noted that Knowles-Nelson Stewardship grant funds are available to offset costs for development.

A motion to recommend to the Town Board their approval of the Master Park Plan proposal, as presented, was made by Commissioner Pernitz; seconded by Commissioner Galhouse. Motion carried 6-0.

5. **Review Preliminary Public Facilities Planning from Vierbicher** – Tim Schleeper presented two large aerial views of the north end of the Town property along State Highway 39. Exhibit A places the public facilities to the northwest corner of the property. Two potential cluster lots are sited adjacent to the existing 11.5 acre farmette. Schleeper noted that the two residential lots could be a different size than what he presented this evening, but must be a minimum of 2.0 acres each; adjacent cluster envelopes must have at least one point of contiguity. The advantage of this option is that the public facilities would have a separate access from the residential lots and any outside storage would be less visible. Furthermore, the public facilities would be near to an Oak savannah remnant. A representative from The Prairie Enthusiasts favors this scenario rather than placing residences near to the remnant acres. The disadvantage is a longer driveway for the public facilities and potentially a longer walk between future park resources for visitors. Exhibit B flips the location of the public facilities and two of the three potential cluster division lots. It was noted that only the homesite can be a detached cluster lot, so a third cluster division lot would need to be defined with a point of contiguity with one of the two cluster envelopes depicted. The owners of the farmette favor Exhibit A. Commissioner Freitag suggested that the Plan Commission and Park Commission may want to hold a joint meeting or meetings to develop a master park plan together. Commissioner Pernitz noted that, with the guidance and coordination with Vierbicher staff (if the Vierbicher proposal is accepted by the Town Board), the master park plan will be developed with input from Town residents, similar to the updates to the CORP. Chair Narveson stated that deciding on the public facilities location will allow the Town to begin planning and construction of a surface lot so the public can access the park land. Schleeper reported that the Town Park Commission favored Exhibit A. Schleeper advocates for building the public facilities first, prior to marketing residential lots, so that potential buyers are fully aware. A representative of the Prairie Enthusiasts and local resident is looking into other funding sources, including grants and partnerships, to replace the funds generated by the sale of the residential lots. This would eliminate the need to sell residential lots. There was brief discussion as to whether the proposed Town garage should be connected to a future Town Hall or separated. Without objection, the opinions expressed at this meeting will be shared with the Town Board.
6. **Discuss the Possible Development of a Portal to be Hosted on the Green County GIS Database** – Schleeper suggested that the Town may benefit from a graphic representation of remaining and exhausted development potential within the Town in the form of an interactive, Geographic Information System (GIS) map. It is possible that the layer(s) could be hosted by Green County. The group considered various layers such a map could contain: no further development potential, development potential per the rules of the Village extraterritorial zoning (ETZ), development potential under County Zoning regulation, large lot divisions that could be considered for cluster subdivision, those requiring review by the Technical Review Committee, etc. There was no objection voiced to Vierbicher presenting more information to the Plan Commission at a future meeting.
7. **Continue to Review Updated Development Checklist as Prepared by Tim Schleeper, Vierbicher, and Supply Feedback with Possible Changes and/or Motion to Recommend Approval by Town Board (if needed)** – In the past, there had been some concerns voiced about the length of the application/checklist. However, without some methodology, planning expenses and Technical Review Expenses will continue to be billed in arrears rather than escrowed for in

TOWN OF NEW GLARUS

advance. Addendum A of Chapter 55, Fee Schedule, has already been approved and posted to the Town website.

A motion to accept the checklist, as presented, to be effective as of January 1, 2024, was made by Commissioner Galhouse; seconded by Commissioner Pernitz. Motion carried 5-1.

8. **Continued Review of Sample Driveway Ordinances that Have Provisions for Field Drive Access and Farm Drive/Commercial Access** – Commissioner Galhouse noted that a redline copy of his proposed changes has been included in the packet along with an email from Commissioner Pernitz containing analysis of the proposal amendments to Chapter 36. Galhouse stated that the changes are inspired by other local ordinances regulating access and driveways. There followed a discussion regarding whether the Town should require a permit for every drive that leads to an improvement, particularly those where employees, visitors, or occupants may require the support of emergency services. Changes, if any are recommended to the Town Board, should be reviewed by legal counsel before scheduling a public hearing. It was noted that most people will obey regulations once enacted; there is no amount of policing that will ensure total compliance. Commissioner Ott expressed his opinion that field road access can be regulated; however, he opposes them to be defined under the heading **DRIVEWAY** in §36-3. A secondary discussion followed regarding the treatment of existing Town lanes. The proposed amendment would require the owners or developers to reconstruct the lane to current standards for driveways if there is a change from the original use. Tim Schleeper suggested that more than one construction standard could be defined under §36-5 **Construction specifications**. Without objection, this item will be added to the next agenda for continued discussion and possible action to recommend changes to the Town Board.
9. **Continue to Discuss Town Process for Development Potential Questions** – Clerk-Treasurer Wright reported that in the past, in his capacity as Deputy Clerk-Plan Administrator, he typically received inquiries from property owners or their agents about land development potential. Now, in his capacity as Clerk-Treasurer, he continues to receive those types of inquiries in addition to realtors and potential buyers wanting to know the potential of property before marketing or submitting an offer to purchase. The former scenario had a process for what information could be shared prior to charging fees whereas the latter does not. Members present agreed that the Clerk-Treasurer should treat inquiries as open records requests: provide information that is already contained within the Access database, which tracks land development, and Chapter 110, the Land Division and Subdivision ordinance. If the land is within the Village's ETZ or plat review authority, he should also refer them to the Village Administrator. Research or opinions should be a billable event with expected costs stated up front.
10. **Adjourn**
Motion to adjourn by Commissioner Pernitz; seconded by Commissioner Ott. Motion carried 6-0 at 8:22 PM. Then next meeting will be held on January 18, 2024 at 6:00 PM.

Approved:

John Wright, Clerk-Treasurer
